Dear Chief Murray:

The Director has asked me to express his appreciation for the assistance given us by the Metropolitan Police Department in connection with our Cornerstone Ceremony at Langley on 3 November.

Captain Daniel B. Kennedy of No. 7 Precinct arranged that officers be posted at critical points along Canal Road to ensure a smooth flow of traffic. He and his men did an excellent job handling the exceptionally heavy flow of vehicles through this area.

Sincerely,

Dear Major Fawver:

The Director has asked me to convey to you his thanks for the fine job of traffic handling which you and your men did in connection with our Cornerstone Ceremony at Langley on 3 November.

We were concerned that the route to the site from Chain Bridge and over Route 123 to the Fairfax County Line would become heavily congested. However, traffic flowed smoothly through this area in spite of the exceptionally great number of cars. This attests to the excellent job of traffic handling which you and your men supplied, and we are most appreciative.

Sincerely,

Major William L. Durrer
Chief of Police, Fairfax County
Fairfax, Virginia

Dear Major Durrer:

The Director has asked me to convey to you his thanks for the fine job of traffic handling which your Force performed at our Cornerstone Ceremony at Langley on 3 November.

The beautiful weather we were lucky enough to have brought out more guests than we had expected. Despite this, the handling of the parking at the site, plus the direction of the traffic on Highway 123, went very smoothly indeed and attest to your excellent organizing effort. In this connection, the work of Inspector Mahoney and Captain Shumate in the planning and execution of the arrangements was especially helpful.

Sincerely,
